Program: Noon – 1:00 p.m.

## Table Captain

Thank you for joining us as a **2018 Back to School with Financial Literacy Table Captain**. Your efforts to fill your table and your guests' time at the event will be well spent. This lunch gives OCEE an opportunity to bring awareness to our mission and the need for promoting financial education in Oklahoma. This event, aimed at corporate and civic leaders in Oklahoma, will bring public awareness of OCEE and raise funds to support Oklahoma teachers and students.

### What next?

#### Start Recruiting!

You will receive customizable PDF invitations and e-mail invitations for your friends, family, and colleagues. Your goal is to recruit 9 guests (10 total including yourself), willing to make a recommended gift of \$100 to OCEE's programs (tax deductible). Your guests can make contributions in many ways, including by check or credit card. Be sure to explain the desired dollar amount (\$100 or greater) and their financial commitment as a guest. There is no need for your guests to make a gift in advance; they will be asked to make their gift during the luncheon.

### Your Goal!

Your goal is to fill your table of 10 (including you) by Aug. 16 when you will submit your final, confirmed guest list to [econed@uco.edu](mailto:econed@uco.edu).

To sign up to be a table captain, please contact Jacob Whitney at [jwhitney2@uco.edu](mailto:jwhitney2@uco.edu) or 405-974-6235.
