

March 4, 2013

Dear Educator,

The Oklahoma Council on Economic Education and the Federal Reserve Bank of Kansas City, Oklahoma City Branch are pleased to invite you to participate in the third annual **Outstanding Economics Student Awards Program**. Your honored student, his or her parents or guests, and a representative of your school will be invited to attend a dinner and awards ceremony at the Federal Reserve Bank in Oklahoma City on **Thursday, April 25, 2013**. If you cannot attend you may send another faculty representative to introduce your student.

We believe these awards recognize outstanding students and highlight the importance of an economic way of thinking. The awards are part of the comprehensive economic education programs of the Oklahoma Council on Economic Education and the Federal Reserve Bank.

Enclosed you will find the criteria for the selection of your students. After you have selected a student, please fill out the enclosed **Participation form** and **return it to our office by Friday, April 12, 2013**.

Although the student will receive a formal invitation, please confirm the date of the Awards Dinner with them as soon as they are selected. The formal invitation will be mailed to those indicated on the form you return to our office.

The Oklahoma Council on Economic Education and the Federal Reserve Bank applaud you for your continuing support of economic education. We look forward to helping you honor a deserving student in your school.

Sincerely,

Pam Campbell, APR
Director of Public Affairs
Federal Reserve Bank of Kansas City
Oklahoma City Branch

Amy Serrata
Executive Director
Oklahoma Council on Economic Education

Enclosures

2013 Criteria for Student Selection Outstanding Economics Student Award

1. The student selected must be a full time student at your school who has maintained a satisfactory scholastic record.
2. The student must currently be in grades 9-12.
3. The student should demonstrate a strong interest in economics or is an economics thinker. The student does not need not have taken economics, but may have taken business, consumer economics, social studies, government or other economics related courses.
4. The student does not need to be able explain GDP (but if they can eloquently, let us know).
5. The student has a desire to learn more about economics either directly or within another area of interest (ie. sports, fashion, business, etc.)
6. The student is a leader and inspires an economic way of thinking at your school.
7. Individual schools can add additional qualifications as they deem necessary to the selection process.
8. The Participation form must be completed and returned no later than **April 12, 2013**. Only one participation form (student) per school site will be accepted. Educators or administration must decide on one student.
9. The student must complete the Outstanding Economics Student application and submit on or before **April 12, 2013**.
10. Confirmation of receipt of the student application and participation form will be sent to the email address provided for the school representative within four business days. If you do not receive a confirmation please contact the Sarah Shahan at the Federal Reserve Bank at (405) 270-8619 to inquire about your student's application.

Additional Information:

Each student selected by their school will be honored and recognized as the Outstanding Economics Student at their school. The citation on the certificate will read: The Oklahoma Council on Economic Education and the Federal Reserve Bank of Kansas City, Oklahoma City Branch, on behalf of "school name," recognize "student name" as an Outstanding Economics Student.

The student and the student's parents or guardians will receive an invitation to the Awards Dinner along with the designated representative from each school, who have several minutes on the program to introduce the student honoree to the group. The awards presentation will be on **Thursday, April 25, 2013, with a reception at 5:30 p.m. and dinner and program at 6 p.m. at the Federal Reserve Bank in downtown Oklahoma City**. Each winner will have a maximum of four seats – one for the student, teacher and two guests of their choice. There is no cost for the student or the school for the Awards Dinner.

Type or print answers to the questions below. You may attach up to one additional document that either further explains your answers to these questions or that contains supplemental information of your choice.

1. Describe your personal and professional goals for the next 5-10 years.

2. Explain why you believe understanding economics is important to you as an individual, as well as why it is important that you have had economics as a part of your education.

3. In your opinion, what is one of the most important economic concepts that everyone should understand, and why?

4. Why do you think you are a good candidate to be chosen as the Oklahoma Outstanding Economics Student this year?

5. Is there anything else you would like the committee to know about your achievements or activities that might help in the decision for selecting this award?
