

March 1, 2021

Dear Educator,

The Oklahoma Council on Economic Education and the Federal Reserve Bank of Kansas City, Oklahoma City Branch are pleased to invite you to participate in the eleventh annual **Outstanding Economics Student Awards Program**.

In recognizing these outstanding students, we highlight the importance of an economic way of thinking. The award is a part of the comprehensive economic education programs of the Oklahoma Council on Economic Education and the Federal Reserve Bank.

Enclosed you will find the criteria for the selection of your student. After you have selected a student, please fill out the [application form](#) and **submit by Friday, April 9, 2021**. In place of our annual award dinner, your honored student will receive an award packet to celebrate their achievement and we will be holding a virtual awards celebration.

The Oklahoma Council on Economic Education and the Federal Reserve Bank applaud you for your continuing support of economic education. We look forward to helping you honor a deserving student from your school.

Sincerely,

Pam Campbell, APR
Director of Public Affairs
Federal Reserve Bank of Kansas City
Oklahoma City Branch

Amy Lee
Executive Director
Oklahoma Council on Economic Education

Enclosures

2021 Criteria for Student Selection Outstanding Economics Student Award

1. The student selected must be a full-time student at your school who has maintained a satisfactory scholastic record.
2. The student must currently be in grades 9-12.
3. The student should demonstrate a strong interest in economics or display an economic way of thinking. The student does not need to have taken economics or currently be in an economics class, but may have taken business, consumer economics, social studies, government or other economics related courses. For example, the student does not necessarily have to be able to explain GDP, but certainly the ability to do so is commendable.
4. The student has a desire to learn more about economics (business development, entrepreneurship, economic drivers, etc.) either directly or within another area of interest (ie. sports, music, fashion, business, etc.)
5. The student has leadership potential and inspires an economic way of thinking at your school.
6. Individual schools can add additional qualifications as they deem necessary to the selection process.
7. The [application form](#) must be completed and returned no later than **Friday, April 9, 2021**. Only one participation form (student) per school site will be accepted. Educators or administration must decide on **one** student.
8. Confirmation of receipt of the student application and participation form will be sent to the email address provided for the school representative within three business days. If you do not receive a confirmation please contact Leslie Baker at the Federal Reserve Bank at (405) 270-8619 to inquire about your student's application.

Winner Packet:

The student selected by their school will be honored and recognized as the Outstanding Economics Student at their school. The citation on the certificate will read: The Oklahoma Council on Economic Education and the Federal Reserve Bank of Kansas City, Oklahoma City Branch, on behalf of "school name," recognize "student name" as an Outstanding Economics Student.

Based on availability, related items will be included in the packet such as books, supplies and resources from the Federal Reserve Bank of Kansas City, Oklahoma City Branch and the Oklahoma Council on Economic Education.

Application Form:
